**RESPONSE TO NOTICE OF
NON-COMPLIANT AMENDMENT**

Dear Sir:

Applicant acknowledges receipt of the Examiner's Notice of Non-Compliant Amendment dated March 9, 2006. The Notice indicates that Applicant failed to specifically point out distinctions between newly presented claims 42-57 and the art of record in accordance with 37 C.F.R. § 1.111(b). The Notice of Non-Compliant Amendment indicates that since the non-compliant amendment was a non-final amendment, and since Box 4 was checked, the correction required is only the corrected section of the non-compliant amendment in compliance with 37 C.F.R. § 1.121. Accordingly, this timely filed response is a copy of the non-compliant amendment with a new "Remarks" section.

A listing of the claims begins on **page 3**.

No amendments to the Drawings are presented in this paper.

No amendments to the Specification are presented in this paper.

Remarks begin on **page 8** of this paper.
